

WRITING

(45 minutes Level Placement)

You have 45 minutes to write an essay agreeing or disagreeing with the following statement.

**What is sleep and is it possible that someday we might change our sleep patterns to reduce the number of hours of sleep we need?**

Please write approximately one page.

Do not copy from the readings. If you wish to use one or two phrases or sentences to support your point, use quotation marks (“ ”).

You should spend 1 minutes planning your essay and 30 minutes writing it. If you would like to plan your essay, please do so in the space below.
